Re: Appointment as Postdoctoral Scholar

Dear Imogen,

I am pleased to confirm your appointment as a Postdoctoral Scholar in the Department of Earth and Ocean Sciences, working in the laboratory of Professor Maren Holloway.

Appointment period: July 1, 2025 through December 31, 2025
Title: Postdoctoral Scholar
Monthly salary charged to award SYN-2401835: $6,500.00

Funding for this appointment:

Award SYN-2401835, Collaborative Research: Salt Marsh Carbon Burial Under Nutrient Enrichment and Sea-Level Rise:
100 percent of salary, $6,500.00 per month

Your work on award SYN-2401835 is the carbon analysis of the marsh cores collected under this award.

Effort on sponsored awards is certified twice a year, for January to June and for July to December.

Sincerely,

Maren Holloway
Professor and Principal Investigator
