AWARD NOTICE

RECIPIENT INFORMATION

Recipient: Halden University
Address: 1 University Drive, Port Calloway, CA 94000

AMENDMENT INFORMATION

Amendment Type: New Project
Amendment Number: 000
Amendment Date: January 16, 2024
Proposal Number: SYN-2401835
Amendment Description:
The National Science Foundation hereby awards a continuing grant to Halden University for support of the project described in the proposal referenced above. This amendment funds the first increment for the period of performance shown below. The project measures how fast salt marshes at Carrow Point bury carbon as sea level rises. Funds provided for participant support may not be diverted by the awardee to other categories of expense without the prior written approval of the cognizant NSF Program Officer.
